Notice to Users of Katowice Airport (Air Carriers or Their Representatives) on the Launch of Consultations Regarding Amendments to the Airport Charges Tariff and the Annual Consultations on the Airport Charging System, the Level of Airport Charges, and the Quality of Services Provided in Return for Airport Charges

In accordance with the formal requirements arising from Directive 2009/12/EC of the European Parliament and of the Council of 11 March 2009 on airport charges, and pursuant to Article 77(1) and Article 77c of the Act of 3 July 2002 – Aviation Law, the Managing Body of Katowice Airport hereby announces a new procedure for conducting consultations and invites all airport users, within the meaning of Article 2(3) of the above-mentioned Directive, to participate in consultations concerning amendments to the Airport Charges Tariff, as well as in the annual consultations regarding the operation of the airport charging system, the level of airport charges, and the quality of services provided in return for such charges.

Furthermore, pursuant to Article 77c(4) of the Act of 3 July 2002 – Aviation Law, the Managing Body of Katowice Airport requests airport users (entities responsible for the carriage of passengers, mail, or cargo by air to or from Katowice Airport) to provide the information necessary for conducting the consultation process, in particular information concerning: air traffic forecasts, the type and number of aircraft operated, and the scope of activities carried out at the airport.

Information on the air traffic forecast of the respective air carrier to and from the airport, including the projected number of passengers or cargo tonnage (freight and mail), as well as the number of passenger and/or cargo flight operations, for a period of at least two years following the year in which the consultations are conducted;

- 1) Information on the air traffic forecast of the respective air carrier to and from the airport, including the projected number of passengers or cargo tonnage (freight and mail), as well as the number of passenger and/or cargo flight operations, for a period of at least two years following the year in which the consultations are conducted;
- 2) Information concerning the planned route network to and from the airport, including changes in the number and types of aircraft operated (the fleet structure used for operations to and from the airport), for a period of at least one calendar year following the year in which the consultations are conducted;
- 3) Information concerning development plans related to the airport;
- 4) Information concerning needs and requirements related to the airport, in particular those relating to the capacity of passenger terminals and runways, as well as aircraft parking infrastructure.

The Managing Body of Katowice Airport assures all airport users that any information provided will be treated as confidential business information (trade secrets) and protected in accordance with the applicable legal provisions.

The Managing Body also reminds airport users that, pursuant to Article 77c(5) of the Aviation Law, an air carrier that, despite being requested to do so, fails to provide the required information within the specified deadline shall forfeit the right to participate in the next consultations concerning the Airport Charges Tariff.
